Appreciation Letter

Ms. Prity Rawat
Director,
Little Umbrella Foundation,
Gaziabad,
Uttar Pradesh,
India

We would like to take the opportunity to express our note of thanks to the Director – Little Umbrella Foundation, for actively participating in PVR Nest's initiatives and awareness programs organised by us during the year 2016-17.

PVR Nest is a decade old social program of PVR Ltd. It is the only dynamic program in the country that has been able to mainstream many important developmental issues by providing an inclusive platform and bringing together program partners of varied expertise. We have created a long term, strategic and sustainable programs for the rehabilitation of over 1000 children at risk in high infrastructural city spaces focusing on their education, nutrition, healthcare, substance abuse, rehabilitation and employability.

We wish 'Little Umbrella Foundation' best of luck for their future endeavours.

With regards
